MEDIA RELEASE

**NAMIBIA AND ANGOLA TO RE-OPEN THE OSHIKANGO SANTA CLARA AND
KATWITWI BORDER POSTS**

Namibia and Angola will re-open the Oshikango Santa Clara and Katwitwi border posts as of 1 February 2022, while the remaining border posts are scheduled to re-opened on 15 February 2022.

The border posts have been closed since 2020 due to the Covid-19 pandemic resulting in reduced trade and significant socio-economic hardship in both countries.

Travelers crossing the Angola-Namibia border posts are required to present a negative Covid-19 PCR test and a Vaccination Certificate indicating two COVID-19 vaccine doses. Travelers with one dose will be subjected to a 7-day quarantine at own cost.

Travelers are urged to respect the regulations and laws applicable in the respective countries as well as to continue to observe the Covid-19 protocols.
