FOR IMMEDIATE RELEASE

7 October 2019

HKIA EXPANSION PUBLIC NOTICE

The Hosea Kutako International Airport (HKIA) Congestion Alleviation project takes momentum and the public is urged to take note of the following changes as a result of the upgrade works at the airport.

- The Drop-off lane at Hosea Kutako International Airport is temporarily closed and all motorists are advised to use the short term public parking as an alternative drop off area. The first five minutes will be free, after which the normal rates will apply before you exit the public parking.
- Due to closed routes, Motorists are urged to cautiously drive into airport and to follow the directional signs/notices to minimize delays.

The flying public is urged to come earlier to the airport to avoid any inconvenience.
