SWAKOPMUND, 22 July 2024 – The Swakopmund Municipality is pleased to announce the official gazetting of the regulations governing the use and management of the town's parks, jetty, mole, and beach areas. These regulations have been established under the Local Authorities Act of 1992 and are now legally binding.

The newly gazetted regulations are designed to enhance the safety, cleanliness, and overall enjoyment of Swakopmund's public spaces for residents and visitors alike. They address a range of activities and behaviours to ensure that our treasured outdoor areas remain welcoming and well-maintained.

Key aspects of the regulations include:

Park Usage: Guidelines for the responsible use of park facilities, including designated picnic areas, playgrounds, and sports fields.

Mole Management: Measures to protect the mole's natural environment and ensure its accessibility for leisure activities.

Beach Regulations: Standards for beach cleanliness, including waste disposal, pet control and designated swimming areas.

Cllr Dina Namubes, the Mayor of Swakopmund stated, "The gazetting of these regulations marks a significant step in our commitment to preserving Swakopmund's natural beauty and ensuring that our public spaces are enjoyed responsibly. We urge all residents and visitors to familiarize themselves with the new rules and to help us maintain the high standards that make Swakopmund a unique and attractive destination."
