For immediate release

RE: SUSPENSION OF THE HOUSE SITTING

The National Assembly hereby wish to inform all its stakeholders and the general public that its sitting for this week (**Tuesday, Wednesday and Thursday**) **is suspended**. The normal sessions of the House is expected to resume next week Tuesday, June 22, 2021, at 14h30.

The suspension was moved due to the increasing number of both staff and MPs who tested positive for the Covid-19 virus and to provide ample time for the fumigation of the Parliament Building.
