---

The Roads Authority (RA) hereby informs the public that Main Road 118 (Rosh Pinah to Oranjemund) has been re-opened to all traffic.

This road was closed off due to rising water levels which has since receded and the road opened to all traffic. The RA would like to express its sincere appreciation to all stakeholders and motorists for their cooperation during this period.

We also encourage the public to follow us on Facebook (Roads Authority Namibia) for any urgent updates on the condition of our national roads during this rainy season. The public is also advised to send an email to [pr@ra.org.na](mailto:pr@ra.org.na) to report any obstruction, potholes or road damages on our national roads.
