

REPUBLIC OF NAMIBIA

MINISTRY OF ENVIRONMENT, FORESTRY AND TOURISM

PUBLIC NOTICE: FIRE INCIDENT ALONG THE TOURISTS ROAD IN ETOSHA NATIONAL PARK.

DATE: 28 SEPTEMBER

ATTENTION: TO ALL VISITORS OF ETOSHA NATIONAL PARK

Please be advised that due to the fire incidents that has been burning in Etosha National Park since Tuesday, 23rd September 2025, the fire is currently close to some of our tourist roads at the Eastern side.

Affected areas

- Halali Junction to Rietfontein,
- Eland Derive detour and
- Rhino Drive detour.

However, please take note that this can expand to any other adjacent areas at any point in time. The fire response team are at the scene extinguishing the fire.

Safety Instruction

Please be cautious when approaching this areas and completely refrain from entering the area if you see the fire approaching as the wind direction can change unpredictably.

Thank you for your cooperation in ensuring your safe stay and travel into Etosha National Park.
