Sossus Dune Lodge Renovations

Windhoek, 28 October 2022– In the past few weeks, Namibia Wildlife Resorts (**NWR**) has received numerous enquiries about the current renovations undertaken at most of its resorts. With this background, NWR would like to sensitise its visitors and tour operators about the current state of Sossus Dune Lodge.

Due to the popularity of Sossus Dune Lodge, NWR saw the need to renovate the resort to bring it on par with our other establishments. Work will include the walkway deck leading to the rooms. We had hoped that the much-needed renovations would cause our clients the slightest discomfort, but unfortunately, some areas need to be cordoned off.

Work has started and will be completed by **20 December 2022**. We would therefore appreciate your patience and understanding during this time as we work on providing you with the service you have come to expect from NWR.
