Launch of Online Visa Application Platform

On Friday, 8 July 2022 the Tour & Safari Association of Namibia will officially launch its online Visa Application Platform in Windhoek.

This private sector initiative has been developed by the Tour and Safari Association of Namibia (TASA) and strives to streamline the process of the different kinds of visa and permit applications that are handled by TASA for processing at the Ministry of Home Affairs on behalf of the applicant.

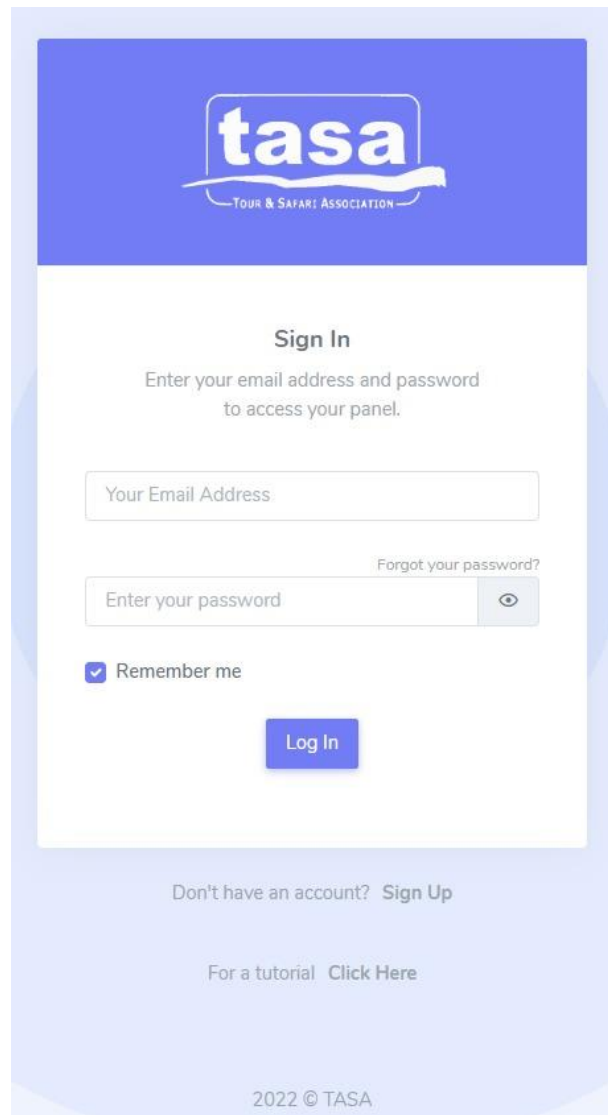

Tourism companies as well as individuals can make use of this online application platform to apply for the following services:

- Work Visas
- Employment / Work Permits
- Temporary Residence Permits
- Holiday / Tourist Visas
- Extensions and Renewals

In addition to the above feature, TASA has also streamlined the membership application process, whereby potential and interested members can now also apply for their TASA membership online via this portal.

The Tour and Safari Association offers various levels of memberships ranging from affiliate to full memberships. The different criteria are available on the TASA website.

The TASA online application portal can be accessed via portal.tasa.na. In addition to the portal and to guide users through the process there is also an online tutorial available on the portal.

The screenshot shows a web page for signing in to the TASA system. At the top, there is a blue header with the TASA logo. Below the header, the page is titled "Sign In" and contains the instruction: "Enter your email address and password to access your panel." There are two input fields: "Your Email Address" and "Enter your password". A "Forgot your password?" link is located to the right of the password field. Below the password field, there is a "Remember me" checkbox which is checked. A blue "Log In" button is positioned below the "Remember me" checkbox. At the bottom of the form area, there is a link "Don't have an account? Sign Up" and another link "For a tutorial Click Here". The footer of the page reads "2022 © TASA".

Founded in 1989, the Tour and Safari Association of Namibia (TASA) is a voluntary private-sector body that acts on behalf of its members to encourage the development of responsible tourism in Namibia, ensure standards and reliability in the Namibian tourism industry and further the common interests of Namibian Tour Operators.
