24 March 2020

Dear Valued Customer,

CROSS BORDER OPERATIONS - BOTSWANA

Further to the announcement made by the President last night regarding the lock down to come into effect in South Africa at midnight on the 26th of March 2020, we were advised this morning that the government of Botswana has closed its borders with immediate effect.

We currently have a vehicle at the border and they have been denied access from South Africa into Botswana. We are awaiting further clarity from the Road Freight Association and the Department of Transport as to what the next steps will be, before issuing instructions to our staff at the border.

Once we have received clarity we will issue a further update.

We apologise for any inconvenience that this may cause and we thank you for your understanding.

Yours Sincerely,

GEORGE HORN
NATIONAL OPERATIONS MANAGER
